These Regulations amend the Funeral Expense Assistance (Scotland) Regulations 2019 (“the principal Regulations”).

Regulation 2(4) makes changes to the conditions on entitlement to a funeral support payment when the place of the funeral is outside the United Kingdom.

Regulation 2(6) introduces costs allowable for disposal by way of alkaline hydrolysis, provides for comparison of costs in respect of funerals outside the United Kingdom and clarifies when the lower rate flat rate payment will be applied to a pre-paid funeral plan or analogous arrangement.

Regulation 2(7) makes changes to what is an available asset of the deceased and when and how a pre-paid funeral plan or analogous arrangement will be deducted under regulation 14.
